

Senior Drafting Technician • Seattle, WA

The Seattle office of WJE is looking for a Senior Drafting Technician works as a project team member and provides strong technical knowledge of CAD drafting software. The Senior Drafting Technician will work about 75% in our office on structural and architectural drafting and 25% in the field as a technical anchor for the team. Strong CAD drafting skills will augment the training we provide in multiple other tool sets for design.

WJE is an interdisciplinary firm of architects, structural engineers, and materials scientists that specializes in the investigation, analysis, testing, and design of repairs for historic and contemporary structures. WJE focuses on delivering practical, innovative, and technically sound solutions across all areas of construction. WJE combines state-of-the-art laboratory and testing facilities, nationwide offices, and knowledge sharing systems to provide solutions for the built world.

Requirements:

- High school diploma or equivalent; Associate's degree Computer Aided Design or related field preferred
- Minimum of five years of relevant work experience
- Advanced proficiency in CAD software including 3-D renderings and animation
- Detail-oriented

WJE employs extraordinary people at all levels of our organization — people with outstanding character, superior talent, a strong desire to be innovative and excel, and a willingness to work as part of a team. We offer competitive compensation and benefits, and our culture is one of trust and personal responsibility, where every position is important and every individual is expected and supported to grow in their career. If you believe you fit the profile and meet the job requirements - we want to hear from you!

Physical Requirements:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. This position requires visual acuity and listening ability. Individuals must have the dexterity to be able to operate office and field equipment such as computer, printer, fax, copier, telephone, voice mail system, and other office and field equipment. Requirements may also include:

- Ability to attend meetings at various office, field and construction sites
- Ability to perform inspections of buildings and other structures, both visually and with instruments
- Ability to lift and carry materials and equipment up to 50 lbs.
- Ability to perform work in the temperature extremes presented by work in the outdoors
- Ability to read construction drawings, diagrams, printed materials and computer screens
- Ability to record data clearly and write passages for reports, letters, etc.
- Ability to travel
- Ability to safely work at heights
- Ability to safely use and/or operate ladders, scaffolds, lifts and other access equipment
- Ability to understand and appreciate safety training specific to numerous workplace and construction hazards
- Ability to safely work in a variety of occupationally hazardous locations
- Medically fit to utilize respiratory protection devices and other forms of Personal Protective Equipment
- Ability to drive and safely operate a motor vehicle

WJE is an Equal Opportunity Employer. We invite all qualified applicants to apply including individuals with disabilities and protected veterans (VEVRAA federal contractor).

WJE will consider qualified applicants with criminal histories in a manner consistent with the requirements of Fair Chance Ordinances.
