

Senior Housing Architect

RJ Development is a well-respected and experienced developer of senior housing across the Western United States. Our emphasis is on developing exceptional Independent Living, Assisted Living and Memory Care communities. The purpose of the communities is to enhance the care and comfort of seniors and their families. An in-house licensed architect is desired to join our team to develop designs and conceptual drawings for large scale senior housing projects in multiple states. The in-house position is located in Olympia, Washington.

Send resume and portfolio of senior housing and multi-family work to:
Ron@rjdevelopment.com
