PROJECT ARCHITECT (multiple openings)

Job description

The qualified applicant will coordinate with project team members and consultants from pre-design through construction administration. Responsibilities include delivering design-sensitive projects on schedule and within budget limitations, technical competency, crafting construction drawings and specifications, regulatory compliance, client presentations, construction observation, and administrative support. The applicant should be a self-starter, rigorous, demonstrating a willingness to always learn and enhance their professional skills and those around them, working with pace and timeliness to meet client expectations.

Qualifications

- Architect with 5+ years minimum experience required.
- Proficient with AutoCAD and Sketch-Up, required.
- ArchiCAD or Revit experience, desired.
- High level of construction drawing coordination.
- Detailing proficiency.
- Self-directed and motivated.
- Building code proficiency - code analysis and documentation.
- Regulatory agency experience - permit coordination.
- Self-motivated and effective time management skills, along with the ability to prioritize, manage, organize and meet deadlines.
- Thrives in a fast-paced environment.
- Excellent written and verbal communication skills.
- Possess strong interpersonal skills to support and work effectively with a variety of individuals, departments, co-workers, management, clients, and others in a consistent, courteous and professional manner.
- Flexible schedule and availability.

What fi offers:

- A collaborative, energetic yet smaller and more personal working environment
- Opportunity to advance, learn, and grow
- Diverse project types and responsibilities
- Employer-paid insurance to include medical, dental, and vision
- Paid holidays, vacation, and sick leave
- Annual bonus/profit sharing opportunity

Qualified and interested candidates should send a resume and cover letter showing past work experience, names of past employers, and descriptions of responsibilities in PDF format, attention: Darrin Filand at darrin@fiarchitecture.com.
